

## BIOGRAPHY for Chip Wade

### Home/Housewares:

Atlanta native Chip Wade has building in his blood. Coming from a long line of experienced carpenters and woodcraftsmen, Chip began working with his father at an early age – and over the years developed an interest in carpentry, landscaping and renovation.

**As the Host, Contractor and Master Carpenter on HGTV's top rated *Curb Appeal: The Block***, Chip explains and demonstrates the tools and processes best suited for exterior renovation, landscaping and construction. Chip also appears as the carpenter on HGTV's *Designed to Sell*, transforming interior spaces on a tight budget.

After graduating with a degree in mechanical engineering from Georgia Institute of Technology, Chip moved on to earn his certification in residential construction. He soon developed a passion for construction as he became proficient in both the design and execution of large-scale remodels.

Chip represents brands including 3M and Mohawk Flooring as a national spokesperson. Chip is the owner and lead designer of WadeBuilt LLC, a design, staging, inspection, and custom construction firm. He also serves as a Producer on his hit show, *Curb Appeal: The Block*. Chip resides in Atlanta with his wife, Pauli, and son, Mac
